PRODUCER'S NOTE

This comedy takes place in a living/dining room which manages simultaneously to be that of the Phillipses and the Fosters – even when the times do not coincide – thus dinner at the Fosters on THURSDAY is played simultaneously with dinner at the Phillipses on FRIDAY.

When Bob Phillips liaison with his boss's wife Fiona Foster, is in danger of being discovered by their respective spouses, each attempts to wriggle out of suspicion by projecting their own infidelity onto a third, totally innocent and socially retarded couple, William and Mary Featherstone. The respective spouses, Theresa Phillips and Frank Foster, independently determine to try and help the hapless Featherstones in their *supposed* problem. Inevitably their benevolent interference backfires disastrously!

I hope you enjoy the resulting misunderstandings.

KIM LEVIS.
